What Our Customers Have To Say!

"I have newritis (neuritis) in my hands real bad and it (Deep Pain Relief) is a real help for the pain... I have used half of 2oz bottle and don't want to run out. Best Medicine I have found. I have a drug store of other products that don't do much good - Earlene Burke, Colona, IL Testimonial: July 9, 2003

"I attended the Country Folk Art Craft Show ... and sampled your Emu Oil. I have severe arthritis in my ankle and was amazingly surprised that my ankle was not painful on Saturday from all the walking. I regret I didn't purchase some then, but like I said, I had to sample the product first. I am pleased to say that "It WORKS".
Maggie Rainwater, Lakewood Colorado, Testimonial: September 3, 2003

"Love the Pain Relief, I have had a headache for 3 days taking lots of medication, which was not helping. Within a few minutes my headache was gone! Unbelievable! Where have you been all of my life? Lori Byrne, St. Paul, MN January 18, 2002

"For five years I have had pain in my back/hip area because of my sciatic nerve...it makes sitting for long periods of time very uncomfortable and also tends to cause spasms in my back, sending pain shooting down my left leg...I applied it [Deep Pain Relief] to my back and also to the calves of my legs, which tend to get leg cramps during the night most nights. I woke up the next morning...For the first time in a very long time, I had slept through the night...What an exciting product line!"
Kimberly Batt, Welcome, MN Testimonial: October 12, 2001

"I suffer from post back surgery with nerve and muscle pain. Luckily I purchased my first bottle of EmuMagic (Deep Pain Relief)...My bottle was almost empty and I had seen a alternative product which was cheaper. What a mistake I made. The alternative product did not penetrate and give me the "warm" effective relief I get from EmuMagic [Deep Pain Relief]. With EmuMagic™ I find myself being able to take less pain pills for my back pain. Thanks EmuMagic™." Helene Ovsak, Bemidji, MN Testimonial: August 18, 2002.

"I am very happy to have found your EmuMagic™ Deep Pain Relief™. I used it on September 7, 2001 with a bee or wasp bite very swollen... one day later the redness is gone and no itching...Thank you so very much for your (wonderful) oils."
