

EmuVet Animal Products

Rapid Pain Relief

Analgesic Lotion

A concentrated, soothing, cooling, deeply penetrating, anti-inflammatory, pain relieving, water free solution with 100% Pure EmuMagic™ hormone, steroid and antibiotic free Northern Plains American Emu Oil, Methyl Salicylate, Menthol, Camphor, Lavender Oil, Eucalyptus Oil, Tea Tree Oil and Jojoba Oil. **It contains no water.**

EmuMagic™ Pure Emu Oil, the most essential ingredient is the highest quality, premium grade, therapeutic emu oil. Methyl Salicylate is a pain relieving analgesic; Menthol provides cooling and soothing to the skin; Camphor is a topical liniment; Jojoba Oil is for dry skin; Tea Tree Oil is an aromatherapy, moisturizing, healing agent; Eucalyptus Oil and Lavender Oil are natural healing agents.

"I applied it to my horse and the swelling went down fast"

SK, Minnesota

"I put it on my dog's sore leg, and he began walking on it"

TS, Minnesota

"I put it on my injured cat and she was up walking the next day"

JL, Minnesota
