

What Customers Say

We ALL Love These Products and Really Use Them! Being a Holistic Bodyworker, I don't usually use anything without very good cause. **So ... all I can say is Thank You! My family and clients also Thank You!** Laurie Akermark, M.T., NAR - 18 years involved in the Healing Arts

How to Use For Wrinkles

Wash face and hands with soap and water and pat dry.

On NORMAL SKIN: Apply two to four peas worth on your hands and spread it over your hands cuticles and face.

Repeat this twice daily until skin has returned to the desired texture and softness then use once daily or as desired.

On THICK OR VERY DRY SKIN: Apply as needed spreading DermaMagic™ thinly over the area to be covered. Repeat this twice daily until skin has returned to the desired texture and softness then use once daily or as desired.

How to Use For Acne

Wash face and hands with soap and water and pat dry.

On NORMAL SKIN: Apply two peas worth on your hands and spread it over your hands cuticles and face. Repeat this twice daily until skin has returned to the desired texture and softness then use once daily. Do Not overuse.

On THICK OR VERY DRY SKIN: Apply as needed spreading TheraCare™ thin over the area to be covered. Repeat this twice daily until skin has returned to the desired texture and softness then use once daily.

If additional breakouts occur, continue for at least a week unless the breakout is sever. As pores are opened and cleaned out additional breakout is possible. Most Dermatologists recommend new product use for at least 30 days before stopping to allow the skin to adjust.

How to Use For Psoriasis

Wash face and hands with soap and water and pat dry.

On THICK OR VERY DRY SKIN: Apply as needed spreading TheraCare™ thinly over the area to be covered. Repeat this 4-5 times daily until skin has returned to the desired texture and softness then use once daily, or as desired.

If additional breakouts occur, continue for at least a week unless the breakout is sever. As pores are opened and cleaned out additional breakout is possible.
